

# Coffee Shop Landing Page

## Sections to Build

### 1. Header & Hero Section

Sticky navbar, background image with overlay, centered heading and slider arrows (UI only).

### 2. About Us Section

Three-column layout with story text, center image, and vision list. Responsive stacking required.

### 3. Services Section

Grid of service cards with icons and equal height cards.

### 4. Offer / Newsletter Section

Full-width background section with offer text and email signup form.

### 5. Menu & Pricing Section

Two-column layout (Hot & Cold coffee) with image, description, and price badge.

### 6. Reservation Form Section

Split layout with offer text and booking form fields.

### 7. Testimonials Section

Client cards with simple JS-based slider dots.

### 8. Footer Section

Four-column footer with contact, social links, hours, and newsletter.
